Rattlesnake Venom for Pets (Protect Your Pets)

To greatly enhance survival of your pets if they get bitten by a rattlesnake there is a vaccine that could be given. Check with your veterinarian.

The vaccine is available at the Verde Veterinary Hospital (at top of the list) at a cost of \$33 per dose. A follow-up by either 2 or 3 booster shots at \$17 is required. Confirm pricing by contacting the VVVH. (11/2014)

Dog Parks

Cottonwood, Riverfront Park

Near the Riverfront Park complex, has three separate areas for large dogs, small or shy dogs, and a training area.

Tuzigoot National Monument comprises 42 acres outside of Clarkdale, Arizona. Visitors to the monument can enjoy the museum and visitors center before exploring the trails through the Tuzigoot pueblo and Tavasci Marsh. Dogs are welcome on the trails but are not allowed in any of the buildings. Dogs must be kept on a 6-foot (or less) leash, and any pet waste must be picked up immediately.

Jerome Historic Park While dogs are not allowed in the historic Douglas Mansion that is the centerpiece of Jerome State Historic Park, dogs are welcome to join their humans on a stroll throughout the grounds. Just keep dogs on a leash at all times.
